Application for Admission Instructions and Checklist

Do not submit this page with your application.

Instructions:

Part 1: Application Forms

1. Download Forms 1, 2, and 3 from the Admissions section of the Academy website. These forms should be filled out electronically and saved. All forms are in PDF format and require a forms-capable PDF reader. If there are compatibility issues, you may print and fill out the forms by hand or contact us for other options.
2. Forms 1, 2, and 3 may be sent by email or printed with hardcopies mailed to the appropriate address:

Email: mams-applications@wpi.edu Mail: Mass Academy of Math and Science
85 Prescott Street
Worcester, MA 01605

Part 2: Recommendation Forms

3. Provide your guidance counselor with a stamped envelope addressed to the Academy and request that he/she download Form 4 from the Admissions section of the Academy. This form is to be typed, saved, printed, signed, and mailed to the Academy. This is the only form that must be signed and mailed along with your official transcripts. We strongly recommend that you have the guidance department include copies of your PSAT, SAT, and other test scores.
4. Request three teachers (math, science, and humanities) download the appropriate recommendation Form 5 (M, S, or H). These forms should be typed and saved. A teacher recommendation may be mailed or emailed if sent from the teacher's official school email address (not a personal email address). We may contact the teacher for verification.

All forms must be completed and sent by Friday, March 30, 2012.

Additional Information:

- The Academy will try to notify applicants, by email or phone, of materials that are missing from the application. Applicants are, however, ultimately responsible for ensuring that a complete application is received by the Academy.
- Applicants must take the Admissions Diagnostic Test at the Academy. See our website to register for one of the three test dates.
- Interested applicants should spend a Shadow Day at the Academy to learn firsthand of the program, students, and faculty. Please call 508-831-5859 to schedule a Shadow Day to take place between January 23 and March 30, 2012.
- Decisions letters will be mailed on Tuesday, May 1, 2012.
- The Academy does not discriminate on the basis of race, color, national origin, sex, disability, religion, or sexual orientation.
