Post-Doctoral Fellow / Research Associate / Research Assistant Positions Available

Applicants should have strong interest and background in computational mathematics, computational biomechanics, with special emphases in image-based modeling for cardiovascular diseases and biological applications. Knowledge and experiences in programming and use of software such as ADINA will be very helpful, but will train the right candidates. If interested, please send Vita, undergraduate and graduate transcripts, papers (preprints and reprints), theses and any other publications, and arrange to have three letters of recommendation sent to (or email to dtang@wpi.edu)

Dalin Tang
Mathematical Sciences Department
Worcester Polytechnic Institute
100 Institute Road
Worcester, MA 01609
USA
