

## C06 - Weekly schedule for Professor Billiar

|       | Monday                     | Tuesday                     | Wednesday                              | Thursday                    | Friday                                 |
|-------|----------------------------|-----------------------------|--|-----------------------------|--|
| 8AM   |                            |                             |  |                             |  |
| 9AM   | Research<br>(SL306 or 334) | Research<br>(SL306 or 334)  | Research                               | Research<br>(SL306 or 334)  | Research                               |
| 10AM  |                            |                             | Grad student meeting-Jenna<br>(SL 334) |                             | Grad student meeting-Angie<br>(SL 334) |
| 11AM  |                            |                             | Research                               |                             | Research                               |
| 12PM  | BME seminar<br>(GH 227)    | Unavailable                 | Unavailable                            | Unavailable                 | Unavailable                            |
| 1PM   | Unavailable                |                             |  |                             |  |
| 2PM   |                            |                             |  | Stretch MQP<br>(IT lab)     | Sternum MQP<br>(IT lab)                |
| 3PM   | Stiffness MQP<br>(IT lab)  | BME Faculty Meeting (SL121) |  | WPI Faculty Meeting (1x/mo) | Grad student meetings<br>(SL 334)      |
| 4PM   |                            |                             |  |                             |  |
| 5PM   |                            |                             |  |                             |  |
| 6PM   |                            |                             |  |                             |  |
| After |                            |                             |  |                             |  |

If I am not in my office, try my laboratory (SL 306 – x5097)  
through the double doors off of the main staircase and around the corner to the right.

The **best way** to reach me is via email at [kbilliar@wpi.edu](mailto:kbilliar@wpi.edu)

You can also leave a message in my box or on my voicemail (508-831-5384).
