Act 1:

(ENT History Ant)

History Ant: Today on the HistorAnt channel... the great WaldAnt revolution. On our last episode, Thoreau overthrew the emperor after vehemently disagreeing with the ideals forced upon him. As Thoreau gathers power and influence, he quickly imposes his opinions and ideologies on the ants of WaldAnt pond, thus becoming a wildly unpopular leader. Months after the start of his rule, he reinstated the gladi-ant games, forcing common ants to fight for his entertainment, beginning his downfall.

(ENT Thoreau SR to CS)

Thoreau: Helllllloooo my loyal ants, it is I, your great emperor of Waldant, Henry David Thoreau, and welcome to the gladi-ants! where these lowly scum will fight ... To the death! And here come the fighters ... drumroll please ...

(SND drumroll + Audience drumroll)

Thoreau: The undefeated champions, representing the Grey Ants, Mark ANTony and Kobe BryANT!!!!

(ENT Grey Ants SL, parading around the “Colosseum” (stage))

Thoreau: And now our rookies, representing the Red Ants, Kevin DurANT and ANTrew!!!!

(ENT Red Ants SR, parading around the “Colosseum” (stage))

Thoreau: You ants are like the poor; not so cold and hungry as you are dirty, ragged and gross! (voice gets louder in heated anger, munches on more grapes) FIGHT, FIGHT for your RIGHT to LIVE!!!!

(Red ants fight grey ants)

Kevin DurANT: (Charges Kobe BryANT, screaming) AHHHHHHH!

(Exchange sword fighting)

Thoreau: Ahh, oh how I love watching such insignificant beings do how I bid. Watching the poor and weak fight with each other gives me so much amusement. LOOK!!! Look at how the grey ant, twice as large as the red ant, tries to strike! They fight with more tenacity than bulldogs!

History Ant: Notice how similarly he behaves to the tyrant he looked down upon moments ago. He only accepted the lower class following the ways of royalty if HE HIMSELF was the royalty in question...

Thoreau: Look at them! Fighting so fiercely. And look at the audience! Celebrating the shedding of blood while their own lives remain safe in the comfort of their seats. Let's applaud the gladi-ants for their misguided journeys while we all conveniently overlook our own hypocrisies! By critiquing them and their foolishness, we find peace and pride in ourselves. So, let's all cheer and clap at their measly and trivial war!

(Fighting is still happening as the monologue goes on)

Kobe BryANT: I'm going to get you!

Kevin DurANT: Oh no you don't!

Mark ANTony cuts off ANTrew's arm

Mark ANTony: Aha! Take that! I got you now!

ANTrew: Tis but a scratch!

Thoreau: Although the ants' lives are filled with poverty and misery, of their own fault of course, I will acknowledge the fact that they do bring some entertaining gossip and bANTer. I love listening to the stupidity and hilarities of their gossip, it brings me such amusement! Listening to how they live their meaningless, misguided lives are the peak of my day!

History Ant: As the fighting continues, Thoreau frustrates the battling ants by speaking hypocrisies. He looks down on the lives of the poor but still enjoys listening and watching them, despite their "inferior" ways.

ANTrew: Come and taste my revenge you little ant!

Mark ANTony: Oh no you don't!

Thoreau: Come Manservant, fill my wine glass. You know, there are so many other ant colonies, always fighting each other and us but I don't quite understand it. These other rulers are dumb and have no good ideas of their own. I don't see why their subjects don't rebel against them to join us. I know I sure would.

(Manservant fills the wine glass)

(Kobe BryANT falls over and yells)

Thoreau: THUMBS UP!

Mark ANTony: WAIT!!!! Do you guys... do you guys actually agree with this guy? Or are we just doing this because he told us to? He's the real enemy!

ANTrew: Wait a minute ... you're *actually* right! This entire time he has watched down on us as if he was somehow better. He is ignorant of the ways and needs of the common ant, all the while he sits atop that throne benefiting from the dollars of others.

Kobe BryANT: He looks down on us just for being a class beneath him but continues to use us for his own entertainment!

Kevin DurANT: He tells us how to live OUR lives and forces us to do things that we don't want to with no reasoning as to why but that he enjoys it.

(Ants turn to crowd)

All Ants (Helping each other up): We will not stand for a leader as elitist and egotistical as him!

(Ants turn to Thoreau)

All Ants: You're reign of terror ends today!

All Ants: GET HIMMMMMMM!

(SND intense music)

Thoreau: WHAT ARE YOU DOING?? WHAT IS THIS INSUBORDINATION

(Thoreau struggles to defend himself from the four attackers and is slowly pushed to the edge of the stage)

Thoreau: I will have your limbs ripped from your thorax for this! You think you knew pain in the arena! I will make sure you but barely live after every fight from now on! You lowly commoners cannot defeat me with your inferior ways of thinking and living!

(Thoreau is backed up against the stage edge and Kevin DurANT disarms Thoreau and ANTrew knocks him off the stage using the shield)

ANTrew: That's for making me lose my arm!

Kevin DurANT (speaking to audience): My fellow ants, now is our time to rise up. We will re-work the great nation of WaldANT pond and put an end to the tyranny of Thoreau! I believe in you and if we all work together, we can form a more fair, free life, for the rising juniors, so they need never experience his hypocrisies and his arrogancies. Rise up and end his reign today!

History Ant: And as the audience massacres Thoreau, the sun sets upon his rule. The shortest lived king in over 1000 years, now remembered as the worst. Aaaaaand next on the Historant channel, the rise and fall of the ByzANTeen empire

(Thoreau gets up and tries to flee as the audience attacks him)
