Week 3: Reading and Exercises

Reading

Please read Sections 1, 2, and 3 in Chapter 4 this week. Now the concepts are starting to get deeper and we must work harder to absorb them. Lectures alone will not be sufficient to give you the understanding and familiarity you need to pass this course.

Practice Exercises

NOTE: Do not hand in.

Here are some practice problems to work on at home.
If you have any questions about them, please discuss them in conference or come see me.
