

Week 4: Reading and Exercises

Reading

We have a lot of reading to do this week. Please read Sections 7-9 of Chapter 2 very carefully. Lightly read all of Chapter 3, but you will see in class that very little of this chapter will be required on the tests. Then please start Section 4.1. We will have to study 4.1 very carefully to understand the big picture.

Practice Exercises

NOTE: Do not hand in.

If you have any questions about these problems, please discuss them in your conference or come see Gerardo or me.
