Masque Officers’ Note

Thank you for coming out to see Masque’s first ever Festival Show! After a long year of trying to keep theatre alive amidst a pandemic, as an officer board we wanted to start this tradition. This opens up the opportunity for a lower commitment production that focuses primarily on mentorship and greater acting opportunities. We are so incredibly proud of the hard work and dedication that those working on this Festival put in to make this little experiment of ours such a success! We hope you enjoy the show!

~Masque Officers

Warnings: This production makes use of prop weapons, staged combat and alludes to religious holidays.

Please Note: While both shows contain themes of death in their names, both are comedies. The theme of death is not pervasive or heavy in either show and is addressed very lightly.

Please make sure all mobile devices are silenced and shut off during the performance. Camera use is prohibited.

Latecomers will be seated at the discretion of the House Manager.

For the safety of the audience and the actors, we ask that you stay clear of the aisles during the performance.
